

## **SAMPLE SUBMISSION, DELIVERY TIME AND PAYMENT**

### **Sample Submission**

Please provide mane/tail hair samples (15-20 per animal) with root follicle in a standard paper envelope (1 per animal).

Please send the samples by courier together with a printed purchase order (PO), sample list and the **Acceptance Form** (mandatory) to the following address:

### **Eurofins Genomics**

Applied Genomics  
Anzinger Str. 7a  
85560 Ebersberg  
Germany

### For non-EU countries:

Please follow the customs instructions, the customs documents must state - purified DNA, not harmful, not infectious, for research only.

Please announce the samples before sending and send a PO or sample spread sheet (xls) in electronic form to: [Appliedgenetics-eu@eurofins.com](mailto:Appliedgenetics-eu@eurofins.com).

### **Delivery Time and Guarantee**

Provided that there are no unexpected difficulties (biological or technical), the analyses can be performed within 10-15 working days after sample reception.

Data / Results will be provided in Excel format for all samples per batch per Email. Single results report will only be issued on request and with an extra charge.

Eurofins will perform the analyses to best scientific knowledge. However, Eurofins cannot give any warranty on the success of the analyses.

The quality of analysis strongly depends on the quality of the samples supplied. It is the sole responsibility of the instructing party/customer to ensure sample quality. The identity of the single individuals and their respective samples should be checked by the sender. We recommend a third independent party (e.g. a veterinarian) takes the sample and checks the identity of each animal.
